Implementation of Provisions of Article 371(2) of the Constitution in Maharashtra

2068. DR. BAPU KALDATE: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether it is a fact that the Maharashtra State Legislative Assembly had passed a Resolution for the establishment of separate Development Boards for Vidarbha, etc. under article 371(2) of the Constitution;

(b) whether the Central Government have taken note of that Resolution; and

(c) if so, what steps have been taken to implement provisions of article 371(2) as recommended by the Maharashtra Government?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI CHINTAMANI PANIGRAHI): (a) to (c) In August, 1984, on the basis of a Resolution passed by both the Houses of State Legislature, a communication was received from the Government of Maharashtra recommending establishment of separate Development Boards for Vidarbha, Marathwada and the rest of Maharashtra through Presidential Order under the provisions of article 371(2) of the Constitution The draft scheme received from the State Government for establishment of these Development Boards was not found to conform to the requirements of the Constitutional provisions and, therefore the matter has been taken up with the State Government. Keeping in view the legal position that any scheme for operating the provisions of article 371(2) will inevitably involve the discharge of special responsibility of the Governor of the State in his discretion and to that extent will militate against the democratic set up, the State Government are reconsidering the whole matter. In this situation, the question of issuing a Presidential Order at present under the said Constitutional provision does not arise.
